

MBBS IN VIETNAM

Globally recognized • Similar climate • Affordable Fee

Why MBBS in Vietnam

Vietnam is emerging as a preferred MBBS destination for Indian students due to its strong medical education system, affordability, high patient flow, and climate similar to India.

1 English-Medium Medical Education

MBBS programs are taught in English, No language barrier for Indian students and International teaching standards

2 NMC-Aligned Curriculum

Curriculum designed in line with National Medical Commission (NMC) guidelines Suitable for students planning to practice or pursue exams in India, Focus on core medical competencies

3 Close to India

Just 3-4 hours flight from India, easy travel for students and parents, good international connectivity

4 Strong Practical Training

Modern laboratories and medical equipment, cadaver labs and simulation-based learning, emphasis on hands-on skills, not only theory

5 Official Admission Support

Apply through official university partners, Transparent admission and visa process, continuous student support throughout the MBBS journey

6 Affordable Tuition Fees

Cost-effective compared to many other MBBS abroad destinations, transparent fee structure, good return on investment for medical education

7 Safe & Student-Friendly Country

Vietnam is one of the safest countries in Asia, Friendly local community, Comfortable living environment for Indian students

8 Indian Food & Comfortable Accommodation

Indian food options available, well-managed hostels and apartments, student-friendly facilities near campuses

9 Excellent Clinical & Hospital Exposure

Training in teaching hospitals with high patient inflow, early exposure to real patients and similar disease patterns to India for better learning

10 Globally Recognized Universities

Medical universities recognized by appropriate authorities, Increasing number of Indian students already enrolled, International academic exposure

Buon Ma Thuot Medical University

Buon Ma Thuot Medical University is a well established medical university in Vietnam known for its strong focus on practical medical education. With its own teaching hospital within the campus, high patient exposure, modern laboratories, and real cadaver labs, the university provides excellent clinical training. The NMC aligned MBBS program, support from Indian and international faculty, and a safe, student friendly environment make it a reliable choice for Indian students pursuing MBBS in Vietnam.
